Course Overview

Advanced Stack Web Development

Waterford

Waterford (from Old Norse *Veðrafjörðr*, meaning "ram (wether) fjord", Irish: *Port Láirge*) is a city in Ireland. It is in the South-East Region, Ireland and is part of the province of Munster. The city is situated at the head of Waterford Harbour. It is the oldest^{[2][3]} and the fifth most populous city in the Republic of Ireland. It is the eighth most populous city on the island of Ireland.

About SETU

We want SETU to become a leading European technological university, transforming lives through collaboration and innovation.

The world is changing. And we are changing with it.

South East Technological University is the first technological university in south east Ireland. This gives us an exciting platform to establish our community as a centre for innovation, opportunity, and growth. Through exceptional learning and collaboration, we aim to transform the ambitions of learners, researchers, and businesses across the south east and beyond.

South East Technological University is a university-level institution in the South-East of Ireland with over 18,000 students and 1,700 staff.

SETU offers tuition and research programmes in various areas from Higher Certificate to Degree to PhD.

Assessment

Students will be given a comprehensive specification of an application - including a detailed grading rubric

The projects will be submitted on GitHub, and will be a suitable candidate for the students personal portfolio

Students will prepare a demonstration video walking through the assignment in detail + an interview (Zoom)

Delivery Modes

Onsite classes in Regensburg -
October 21-30, 2025

Virtual classes will be via recorded
videos + laboratories + a
supervised Slack channel
